**Los Angeles Neighborhood Initiative - Byzantine Latino Quarter and Los Angeles
Neighborhood Initiative - Koreatown - W.O. E1907713 and W.O. E1907717
Federal Project No. HPLUL-5006 (641) & HPLUL-5006 (642)**

Bidders are required to acknowledge receipt of this addendum in the space provided on page F-4 of the Bid Proposal. This addendum consists of this three-page transmittal.

Bidders are hereby notified of the following changes:

I. QUESTIONS FROM BIDDERS (Q) AND ANSWERS FROM CITY (A):

(Q1) Bid item #46 covers "new sidewalk paving with pavers". The plans for LANI Koreatown seem to just show new concrete sidewalk (but no pavers).

- a. Are there supposed to be pavers in the paving area?
- b. If so, can the City please clarify their locations?

(A1) There are no pavers. Only concrete paving.

(Q2) Bid item #24 covers 88 cubic yards of asphalt pavement.

- a. Is this for new asphalt pavement?
- b. Is this for removal of asphalt pavement?
- c. Is this supposed to be concrete pavement?

(A2) Bid Item #24 address new asphalt pavement. Demolition for project site amenities is addressed in Bid Item #1. Concrete paving is a square foot site amenity addressed in Bid Item #23. Please refer to the plans.

(Q3) The LANI Koreatown plan sheet 2 of 12 shows the grading plan.

- a. Is this plan sheet an as-built from a previous project?
- b. Does this plan show the same work as plan sheets 4 and 5 (of 12)?

**(A3) a. Yes.
b. Yes.**

(Q4) Bid item 47 is for "Custom Wood Bench W/ Granite Block Base" but there are not construction notes or details for this custom bench. Construction note #4 on Sheet 3 (of 12 for Koreatown plans) refers to a manufactured bench made by Presidio and Detail #5 on sheet 6 shows the metal/steel bench.

- a. Does City want Presidio manufactured benches or custom wood/granite benches?
- b. If the City wants custom wood/granite benches, can the City please provide a detail/plan for benches?

Federal Project No. HPLUL-5006 (641) & HPLUL-5006 (642)**

- (A4) The bench should be Presidio from landscapeforms.com with anti-graffiti coating per the plan (one bench w/3 seats). See link below for product data.
https://www.landscapeforms.com/en-us/Product%20Data/LF_Presidio_ProductData.pdf
- (Q5) Bid item #37 covers construction note 21 and bid item #38 covers construction note 28. What bid item(s) covers all of the new benches, trash cans, tree grates, and hanging baskets?
- (A5) There will be no tree grates. The bench with back, hanging baskets will be additive alternates shown in Addendum #1.
- (Q6) Bid item 48 covers 5 each "Metal Treewell Covers. Incl. Frame" for the Koreatown plans. The construction notes call for a new decomposed granite tree well.
a. What type of tree well cover does the City want: metal or DG?
b. If the City wants metal tree well grates, can the City provide a detail/model?
- (A6) There are no tree grates in this contract. Decomposed granite will be installed in the tree wells. Please refer to the plan for decomposed granite standards.
- (Q7) Sprinkler lateral lines are not sized for the 2A "D" set of the Pico Boulevard/Hoover Street intersection portion of the project; please provide desired pipe sizes.
- (A7) 12-inch minimum cover – 1". Schedule 40 size
- (Q8) Please advise if the planting details shown on the 2A "D" set of the Pico Boulevard/Hoover Street intersection portion of the project are to be used for installation of plant materials found on the Koreatown Monument set as these drawings do not provide such details.
- (A8) Refer to planting detail #1 and #4 on sheet 8.
